WILTJA DOG OBEDIENCE CLUB MEMBERSHIP APPLICATION FORM

HOUSE RULES AND MEMBERSHIP CONDITIONS

Every Club requires its members to observe rules and conditions. Ours are not demanding and are based on common sense and courtesy. Members should be aware that some dogs in some situations can be dangerous.

1. All members must wear their current Membership Card when attending classes.
2. Members must listen to and obey the Instructor at all times.
3. Bitches in season or sick/injured dogs are not allowed on the training ground.
4. Dogs must be on lead at all times whilst on the training ground, except when engaged in "off lead" exercises in Class.
5. Members should only engage in "off-lead" exercises:
 - o they willingly exercise the option of off lead work
 - o if they are confident in their ability properly to control their dog
6. The Club does not recommend that members EVER allow their dogs 'off-lead' in public places unless:-
 - o they are confident in their ability properly to control their dog and
 - o they are in a public place where dogs are expressly allowed to be "off-lead" at that time
7. A dog that has bitten another dog or person, or that shows undue aggression or unusual behaviour, must immediately be reported to the Instructor, or a Committee member of the Club who is present.
8. Dog droppings must be picked up and placed in the buckets IMMEDIATELY by handlers, with the equipment provided.
9. Children 12 years and under must have adult supervision at all times whilst on the training ground and at the toilets.
10. Smoking is not permitted in class.
11. Members should exercise care when walking over the Club's grounds as the ground can be uneven.
12. (a) The member hereby forever releases, discharges, indemnifies and holds harmless the Club and each of its Officers, Committee Members and Instructors for any loss or damage suffered by them or their dog by reason of:
 - i. Negligence
 - ii. breach of contract
 - iii. liability as an occupier, or
 - iv. breach of any duty, term, condition or warranty arising under, or implied by, statute or the common law.

On the part of the Club and/or any of its Officers, Committee Members and Instructors (the "liability") which liability arises out of, results from or is in any way connected to, directly or indirectly, any act, omission, neglect, default or incident which:

- o occurs at any class or function of the Club; and/or
 - o relates to the Club's position as licensee of its grounds
- (b) For the avoidance of doubt, the member acknowledges and agrees that the exclusion and/or limitation of liability contained in this rule extends to and protects the Club's Officers, Committee Members and Instructors. For the purposes of this rule the Club shall be deemed to be acting as an agent or trustee on behalf of, and for the benefit of, all persons who are or might be its Officers, Committee Members and Instructors from time to time and all such persons shall be deemed to be parties to the agreement evidenced by this rule.
- (c) Any liability of the Club or its Officers, Committee Members and Instructors to a member which is not excluded by this rule shall not in any event (whether the liability arises from the negligence or otherwise) exceed \$500.00.
- (d) This rule does not purport to exclude, restrict or modify liability on the part of the Club in contravention of s. 68 of the Trade Practices Act 1974 (Cth) or any other section of an applicable statute which prohibits the exclusion, restriction or modification of any of its provisions.
- (e) Any provision of this rule that is prohibited or unenforceable in any jurisdiction is ineffective to the extent of the prohibition or unenforceability only and that does not invalidate the remaining provisions of this rule.
- (f) The member acknowledges and agrees that any rule of construction under applicable law to the effect that ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this rule.
